## AMENDMENT # 1

**SECTION 1: IFB PROCEDURES****1.1 Purpose**

The purpose of this Invitation for Bids is to establish statewide contracts for the purchase of printers and related equipment/products, supplies and services by Commonwealth entities, hereinafter called Authorized Users<sup>1</sup>.

The Department of Information Technology intends to make multiple contract awards in the printer categories listed in Section 2.1. In each category the first award shall be to the responsive and responsible bidder with the lowest evaluated cost and thereafter by evaluated cost rank by responsive and responsible bidder, and according to unique brand families (different from those brand families already determined to receive an award), awarding up to a maximum of three (3) contracts per printer category. It is intended that the individual awards per printer category shall be separate and distinct brand families, in order to offer the Commonwealth the broadest possible choice of printer brands.

Once a bid is selected for award, all printer related equipment/products and supplies, which are also made available from the brand family's original equipment manufacturer (OEM), for the specific printers awarded within that printer category, will also be considered part of the award and resulting contract. Additionally, services to support OEM warranty and post-warranty maintenance, which are offered by the bidder may also be awarded.

Any bidder may submit a bid offer in any single category, some, or all categories.

Contract usage or purchase volume is uncertain. An award does not guarantee any purchase by a Commonwealth of Virginia Authorized User. The resulting contract(s) shall be Indefinite Delivery, Indefinite Quantity type contracts (IDIQ).

**1.2 Scope**

This document contains the instructions governing the bid offer being submitted and the material and format in which bid offers are to be structured. Also included are mandatory contractual terms and conditions.

**1. GOVERNING DOCUMENTS**

The governing documents for this solicitation shall be only the most recently dated Adobe PDF and other file(s) as issued and published on the ASD website at: <http://asd.state.va.us>. These files include the IFB 2001-04 solicitation document and MS Excel spreadsheet file for use in submitting the pricing and other data, as well as any and all appendices, attachments, answers to vendor questions, amendments and other pertinent documents if and as appropriate.

<sup>1</sup> Any state agency, institution of higher education, locality or local school division, political subdivision or other public body as defined in the Code of Virginia, §11.37.

**2.2 Bid Pricing (Pricing Schedule)****2.2.1 PRICING SCHEDULE:**

BIDDERS MUST SUBMIT BID PURCHASE PRICING WITHIN THE PROVIDED MS EXCEL FILE, WHICH BEARS THE NAME OF:

**"200104A1.XLS"**

THIS FILE MUST BE DOWNLOADED FROM THE ASD WEBSITE LOCATED AT URL:

<http://asd.state.va.us/bids/200104.htm>

THIS FILE MUST BE USED UNMODIFIED (EXCEPT For Bidder Information and Pricing) FOR SUBMISSION OF ALL BID PRICING ON THE CD-ROM DISC SUBMITTED IN RESPONSE TO THIS SOLICITATION. PRICING not organized in this manner may cause bid to be ruled non-responsive for failing to specifically address these requirements.

The instructions for completing the various printer category worksheets are re-printed here.

- \* *Provide the requested information in column A above by filling in Column B.*
- \* *You may bid in ANY ONE, SEVERAL or ALL Printer Categories listed in worksheets A through I.*
- \* *On subsequent worksheets, Columns A through I, provide printer purchase pricing and other required information in the appropriate cells.*
- \* *Manufacturer's specification sheets for each printer offered must be supplied, in a PDF file format, and Hyper-linked to the file location on the CD-ROM disc.*
- \* *The URL for the OEM's published Government (or other) website where the printer's purchase price can be found, must be supplied for each printer and model offered, in Column J.*
- \* *Provide data for labeled Columns A through K, (with the exception of "F", which is calculated by formula).*
- \* *Provide Warranty and maintenance information and costs in Columns L thru R. ("T" is calculated by formula)*
- \* *Provide published supply costs in Column S, per average page.*  
*Assumptions (Avg. 8.5" x11" Page - mono (laser) and color (laser or inkjet) = 5% coverage, dot matrix/line = 5% coverage = 100 characters)*
- \* ***Sample data is shown in red on each worksheet.***
- \* ***Columns calculated by formula are shaded gray.***
- \* ***Sub-contractors, if any, must be identified by specific contract function (ordering, billing, services, payment). See T&C # 11 on page C11.***

**2.2.2 EVALUATION OF COSTS:**

**Evaluated Cost (EC)** for each printer offered will be determined by adding the cost of 5000 pages of supplies cost (assume 5% coverage per page for laser, 100 characters per page for impact and inkjet printers (5% of 2000 characters per page)) to each offered printer's purchase price. An **Evaluated Cost Average (ECA)** of all evaluated costs will be calculated for each bidder by printer category.

Ranking of bidders by relative cost and brand family within printer categories will be ordered in escalating **ECA** and by distinct printer brand family, for the purpose of making multiple awards within printer categories.

## AMENDMENT #1

**2.2.3 PRICE CHANGES:**

ALL PURCHASE PRICES SHOWN FOR PRINTERS MUST BE NOT-TO-EXCEED PRICES. At no time during this agreement will a Contractor be allowed to exceed the prices offered in the IFB response, except as provided herein. The Master Contract pricing shall therefore be Not-To-Exceed (NTE) pricing.

DIT will use the NTE prices in the following manner. Pricing will be tied to an Index. Printer (as well as options/accessories/supplies related to any specific printer) purchase prices offered for printer configurations must be verifiable at the printer manufacturer's (OEM) web site, from the manufacturer's web-published purchase prices (government: (i.e. state& local, GSA) purchase prices are preferred, but the OEM's web-published purchase pricing for any class of customer (i.e. retail, etc.) may be utilized to index the offered pricing for printer models/components offered. DIT will use the web-published pricing to calculate a Printer Cost Ratio (CR)<sup>1</sup>. For each printer, and related products and services, the web site URL identified for the OEM shall be the Index web site.

The CR will be determined by first calculating a contract dollar amount (CDA) equal to the purchase price offered. The CR is then calculated by dividing the CDA by the manufacturer's current published government purchase price (MPP). (Figures rounded to the nearest whole dollar.)

All subsequent contract item *purchase price* changes will be governed by the CR for the life of the Master Contract. Any new prices charged for product replacements, whether caused by manufacturer price changes, obsolescence, etc. shall maintain the CR established by the original CR calculation described above. (See example CR calculation below.)

<sup>1</sup> **Example CR calculation:**

Printer "X" purchase price offered is \$1499.76. Therefore, the CDA= \$1499.76.

The manufacturer's published government purchase price, for the same model, is \$1349. Therefore, (using all rounded figures),  $CR = \$1500 / \$1349 = 1.11$ . ( $CR = CDA / MPP$ ).

**1.11** shall be the CR, for Printer "X", and shall be maintained for the life of the contract.

**2.3 Product Substitutions**

The Contractor may substitute or replace products that are of equal or greater value and equivalent or greater specification to existing contract items, as necessary, when the change is required due to the OEM's printer product changes. All OEM changes must be reflected on the Index web site/page designated for that item prior to substitutions of contract items. All subsequent contract item *substitutions or replacement* changes, including price, will be governed by the CR for the life of the Master Contract.

**2.4 Intention of Working Configuration**

It is the intent of the Commonwealth to receive a complete working printer configuration at the bid price. For Portable and Desktop/PC-attached printers, sufficient memory and an appropriate interface cable, a minimum of 6 ft. in length, shall be included. For Workgroup/network-attached printers, network interface, sufficient memory and a 6 ft. minimum length, Category 5 patch cord shall be provided. For any other printer method of attachment, interface, sufficient memory and an appropriate means of attachment cable must be offered and priced. **SECTION 3: SOLICITATION INSTRUCTIONS****SOLICITATION INSTRUCTIONS**

REV. 12/15/00

**1. EXPLANATION TO VENDORS**

Any explanation desired by a vendor regarding this solicitation/invitation for bid must be requested in writing and with sufficient time allowed for a reply to reach the vendor before the submission of their bids. PRIOR TO SUBMISSION OF A BID, VENDORS ARE REQUIRED TO READ THESE INSTRUCTIONS, REVIEW THE SCHEDULE, READ ALL TERMS AND CONDITIONS AND CHECK THE ACQUISITION SERVICE DIVISION'S (ASD'S) WEB PAGE AT ([HTTP://ASD.STATE.VA.US](http://ASD.STATE.VA.US)) FOR ANY AMENDMENTS OR CHANGES. THIS SOLICITATION IS SUBJECT TO THE PROVISIONS OF THE COMMONWEALTH OF VIRGINIA VENDOR'S MANUAL, WHICH WAS REVISED IN DECEMBER 1998 AND ANY REVISIONS THERETO, WHICH ARE HEREBY INCORPORATED INTO THIS CONTRACT IN THEIR ENTIRETY. A copy of the manual is available for review at the purchasing office, and can be obtained by calling the Division of Purchases and Supply (804) 786-3842, or by accessing the Department of General Services (DGS), Division of Purchases and Supply (DPS) Internet Home Page ([www.dgs.state.va.us/dps](http://www.dgs.state.va.us/dps)). Any interpretation required by the State will be in the form of an amendment to the solicitation; SEE PARAGRAPH 11 BELOW. In any conflict arising between this solicitation and the Vendors' Manual, this solicitation shall prevail.

**2. PREPARATION OF SOLICITATION**

- A. Bids shall be submitted on the forms furnished, and must bear an original signature by an individual authorized to bind the company submitting the bid. If erasures or other changes appear on the form, each erasure or change must be initialed by the person signing the bid. Telegraphic or facsimile bids will not be considered. Vendors may not submit multiple bids in a single envelope.

This number must correspond with the FIN number shown on Page 1 of the DIT Vendor Application For Registration Form submitted by a principal or officer of the firm submitting the bid. It is the vendor's responsibility to provide the correct FIN number and to keep DIT updated as to any changes in vendor's status.
- C. The bid form may provide for submission of a price or prices for one or more items. All prices shall be entered in the schedule; "IFB-2001-04-PRICING-SCHEDULE-SS.XLS". Where the bid form explicitly requires that the vendor bid on all items (e.g., an all or none requirement), failure to do so will disqualify the bid. When submission of a price on all items is not required, vendor should insert the words "no bid" in the space provided for any item on which no price is submitted.
- D. Additional bids may be submitted, when in the vendor's judgment they can provide more than one solution, which meets the required specifications of the procurement. Additional bids shall be submitted on either a duplicate copy of the bid document or on plain paper and shall be clearly identified with the words "ADDITIONAL BID" written or printed on the face of each

AMENDMENT # 1

	City, State, Zip Code	
	Due Date	Time
	IFB No.	

### **4. SPECIFICATIONS AND USE OF BRAND NAMES**

The request must be signed by a person authorized to represent the person or firm that submits the bid. Submission of a subsequent bid shall normally constitute the withdrawal of any prior bid submitted by the same bidder or bidder on the same IFB.

AMENDMENT # 1**6. PUBLIC OPENING OF BIDS**

Bids will be publicly opened at the time and date specified on page 1 of the Solicitation document. The content of these solicitations will be made public in accordance with Paragraphs 1.9 and 2.4 of the Vendor's Manual. Bids will not normally be evaluated at the bid opening meeting. All bids will be opened at the location shown on page 1 of the solicitation.

**7. SOLICITATION TERMS AND CONDITIONS**

The terms and conditions contained in this solicitation are considered mandatory and are the only terms and conditions governing transactions under any contract awarded as a result of this solicitation.

If the vendor includes additional terms and conditions on pre-printed marketing sheets, pre-printed catalogues, or other pre-printed materials, then it is understood that those terms and conditions are of no consequence to any resulting contract.

Any other modification, addition, clarification, or change to the mandatory terms and conditions by the vendor shall cause the bid to be rejected.

TELEPHONIC REQUESTS FOR BID RESULTS WILL NOT BE HONORED.

**10. FAILURE TO DELIVER**

Failure to comply with the terms and conditions of the IFB or to deliver equipment, software or services identified in the solicitation at the price quoted may result in cancellation or rescission of the award/contract by the Commonwealth and may subject the Contractor to removal from DIT's Vendor Registration file and ruled ineligible to participate in DIT's (and other agencies and institutions information technology) procurements for a period of 12 months.

AMENDMENT # 1**11. AMENDMENT OF SOLICITATION**

**12. ANTI-COLLUSION CERTIFICATION**

By Bidder's signature on the face of this bid, Bidder certifies that this bid is made without prior understanding, agreement, or connection with any corporation, firm, or person submitting a bid for the same equipment, software, or services, and is in all respects fair and without collusion or fraud. **13. DEMONSTRATIONS**

The State reserves the right to require the Bidder to demonstrate to the satisfaction of the State, that the products offered will perform in a completely acceptable manner and to meet or exceed the specifications referenced in the solicitation. The demonstration site and time is subject to agreement between the State and Bidder. A Bidder refusing to demonstrate his products bid after determination that he is the apparent low responsive and responsible bidder may be removed from DIT's vendor registration file and ruled ineligible to participate in DIT's (and other agencies and institutions information technology) procurements for a period of 12 months.

**14. PROTESTS OF AWARDS**

All protests of awards shall be conducted in accordance with Chapter 9 of the Vendors Manual.

The decision of the purchasing agency shall be final and conclusive unless the Contractor, within six (6) months of the date of the final decision on the claim, invokes appropriate action under Section 11-70, Code of Virginia or the administrative procedure authorized by Section 11-71, Code of Virginia.

The Department of Information Technology, its officers, agents and employees, including, without limitation, the Contracts Manager, are executing this Agreement and any Orders issued hereunder, solely in its or their statutory and regulatory capacities as agent for the Commonwealth agency purchasing and receiving the goods or services identified in Attachment "A" to this Agreement or on the subsequent Order in question and need not be joined as a party to any dispute that may arise thereunder.

In the event of any breach by the Commonwealth, Contractor's remedies shall be limited to claims for damages and Prompt Payment Act interest and, if available and warranted, equitable relief, all such claims to be processed pursuant to this Section. Where payment is made by mail, the date of postmark shall be deemed the date of payment. Any amounts due the Commonwealth under the terms of this Agreement may be applied against Contractor's invoices with appropriate information attached.

In accordance with the Virginia Public Procurement Act, all proper charges for which payment is more than seven (7) days overdue shall accrue interest as provided in Sections 11-62.1 through 11-62.9 of

## AMENDMENT # 1

the Code of Virginia. The rate of interest shall be determined in accordance with Section 11-62.5 of the Code of Virginia. In no event shall any interest penalty accrue, however, when payment is delayed because of a disagreement between the Commonwealth and the Contractor regarding the quantity, quality or time of delivery of any Equipment or Service or the accuracy or correctness of any invoice. The Contractor shall notify the fiscal officer of the purchasing agency or institution of all invoices that are in excess of thirty (30) days old.

**18. PAYMENTS TO SUBCONTRACTORS**

The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to be subject to the same payment and interest requirements with respect to each lower-tier subcontractor. Nothing in this paragraph shall be construed as creating any obligation on the part of the Commonwealth or as authorizing any additional charge to the Commonwealth.

**19. THIRD PARTY BILLING**
